

4-H Explore Mondays!!

Food Preservation!

Do you like to eat?! Don't we all?! Are you interested in learning about different types of food preservation and food safety? Come learn about water bath canning, pressure canning, dehydrating food and more! Ina Dollard has agreed to teach a pressure canning workshop! Ina has over 43 year of experience preserving food and is willing to share her expertise with us!

When: March 19th @ 4:00 pm

Where: Logan County Extension Office

Who: Everyone ages 8-18

How much? \$10.00

How to sign up? Just call the office at 970-522-3200 before noon on March 12th

What will we do? We will be pressure canning beans!

What to bring? Just a great learning attitude.
