4-H LARGE ANIMAL WORKSHOP

Logan County Extension will be offering a livestock workshop for all 4-H'ers that are interested in learning more about show animals and how to be successful in the show ring. This workshop will help new families with livestock projects as well as families that are taking a livestock project that is new to them. Experienced showman are also welcome as we will cover many topics that will educate them on the current trends and how to continue to be successful in the show ring. As well, we will be covering the rules and regulations of the Logan County Fair and Colorado State Fair, and the requirements that Logan County Extension asks of all their 4-H families.

Topics to be covered:

- Selection
- Nutrition
- Livestock Management
- Carcass Quality
- Exercise Techniques
- Grooming
- Reading Feed Tags
- Health
- Showmanship
- Rules and Regulations
- Record Keeping
- New Technology
- Genetics
- Cost Analysis
- Weight Management
- Q&A

Please let the Extension office know if you are coming by either giving us a call or email by March 14th
