National 4-H Week

October 1-5

Nationally, 6 million youth touch and enhance the lives of others throughout the year by doing good, by giving where there is a need, rebuilding what has been torn down, teaching where there was a desire to learn and inspiring those who have lost hope.

Clubs and individuals in 4-H can make the biggest impact by publicizing and promoting 4-H in the local neighborhoods and schools. The one-to-one contact of neighborhood boys and girls and their parents is the best way to add new members and leaders. A demonstration in a business or a well-planned window display in the neighborhood will do more for your club than a national program.

Join us in the spirit of National 4-H Week and carry it out throughout the year.

4-H Open House

4-H members will be assisting in 4-H promotion in many ways this fall. One promotional activity will be a 4-H Open House where 4-H members will be doing a “show and tell” of various 4-H projects. The Open House is scheduled for Thursday, October 11 from 7:00-8:00 pm at the Extension Office.

There is plenty of room for helpers. If you are interested, call 522-3200.

Colorado Leadership Camp

CLC will be held November 2-4, 2018 in Glenwood Springs, CO. The camp is for 4-H members in 6-9th grades. The conference will have several hands on workshops to develop your skills in communication, teamwork, critical thinking and social skills.

THANK YOU!

4-H Promotion

We promote 4-H in Logan County during National 4-H Week, October 1-5, by visiting third and fourth graders. We also share our projects during the open house on October 11, 7:00 pm at the Extension Office. If you are interested in helping with this, please let the Office know by calling 522-3200.

4-H Display

National 4-H week is rapidly approaching and it is that time of year when we try to let people know that youth can join 4-H clubs throughout the county. 4-H Council will pay each club \$25 for putting up a credible display. The display can be in schools or businesses.

If your club would like to receive the \$25, just call the Extension Office by October 1 and tell us where your display is going to be. It is best if the displays can be up from October 1-5. However, displays throughout the fall are very appropriate in promoting 4-H.

Premium Money

Premium money may be picked up at the Extension Office until September 14th. Uncollected premiums will be forfeited. **No premium money will be mailed.**

To help keep down the cost of the banquet, each club is to bring one 9x13" brownies or 2 dozen cookies (to serve 12) for every ten members. Please bring the cookies/brownies to Grandstands at 1:00. Don't forget to put your name on the pans.

Please fill out the enclosed form to reserve tickets. We need an accurate number to give to the food service. In order for members to get a free ticket, they need to have 100% completion and have sold at least twelve raffle tickets. 4-H leaders also get a free ticket.

4honline.com

The 4honline system will be reset on October 16th of every year. The passwords and email address that have been used by each family will still work for them. We will have a list of all email address just in case your families don't remember which email address they used. If they have forgot the password all they need to do is click on forgot password and type in the email address they have listed with the system. We will have the list of email addresses ready for each club by October 1st at the Extension office.

Please note projects remain in your profile from year to year. You must delete the project you will not be taking or add a project you want to take.

Livestock

Thank You!

On behalf of the Extension Office and the 4-H program we would like to thank all of the livestock superintendents, horse committee, sale committee, brand inspectors, veterinarians and everyone else that helped with the 2018 Logan County Fair Livestock and Horse Shows. Without all of your efforts and dedication none of this would be possible. Thank you for all that you do and your hard work!

Livestock Pictures and Sale Checks

Sale pictures will be available for pick up at the Extension Office starting **August 31st**. It is required that you pick up your pictures along with your Buyers card and take them to your buyer and have them sign the card confirming that they received their Buyers Picture. You will be required to turn in this signed card to the Sale Barn in order to receive your sale check. You will have until **September 28th** to pick up your sale checks at the Sale Barn. Failure to deliver your sale photo and pick up your check will result in you forfeiting your privilege to show at the 2019 Logan County Fair.

Go above and beyond

It takes many people for the Logan County Fair to happen, we highly encourage you as individuals, clubs, leaders and parents to write thank you's to those individuals that make the County Fair happen. Many of these volunteers donate their time and efforts so that we can all have a county fair and livestock sale. If you could please write thank you's to the individuals below it would be greatly appreciated. You can drop these thank you's off to the Extension Office and we will make sure they get to these folks that do so much for us.
